## Statement of intent

All AET policies are written to support our schools and communities. We do this by ensuring they are always in line with our Colleague Values:

Applying these values to everything we do means always acting with integrity, in the interests of others, being honest, open and transparent and putting the safety of our children first.

**Wilbraham Primary School** recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage or civil partnership, religion or belief, sexual orientation, age, or pregnancy and maternity.

## **2. Equality objectives**

The MAT / School is committed to promoting the welfare and equality of all its staff, pupils and other members of the MAT / School community.

The MAT / School sees all members of the MAT / School community as of equal value, regardless of any protected characteristic. The MAT / School's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

The MAT / School's Equality Information and Objectives Statement sets out how the MAT / School is meeting the PSED and outlines how equality of opportunity is ensured for all members of the MAT / School community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the MAT / School website annually.

The MAT / School will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

To achieve this, the MAT / School has established the following objectives:

- Objective 1: To narrow the gap between the progress made by 'all' children and that made by 'groups' of children such as those eligible for the Pupil Premium.
- Objective 2: To ensure that future reviews of all school policies include information about, and links to our Equality and Diversity Policy. In order to eliminate discrimination all school policies will be reviewed and revised to ensure that where relevant the importance of avoiding discrimination, victimisation or harassment is expressly noted.
- Objective 3: To ensure that staff induction includes raising awareness of, and staff understanding their responsibilities under, the Equality Act.
- Objective 4: To further develop the Spiritual, Moral, Social and Cultural aspects of school life.
- Objective 5: To eliminate discrimination and other conduct that is prohibited by the Equality Act 2010

The MAT / School will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED.
